

St. Alexis Medical Center

Grateful Patient and Families Program

**St. Alexis Medical Center
Foundation**
PrimeCare
st.alexius.org

Our Program

St. Alexius Medical Center's Grateful Patient and Families program gives patients, families and friends the opportunity to say "thank you" to physicians, nurses, therapists and other members of St. Alexius Medical Center's healthcare team who made a memorable contribution to a patient's health and well-being.

Show your appreciation for the care you or a loved one received by supporting St. Alexius Medical Center's through the Grateful Patient and Families program.

Impacting Care

Through your contribution to St. Alexius Medical Center, you show your gratitude in a way that helps others receive outstanding care. Your gift helps change lives and benefits our community for years to come through the purchase of equipment, continuing education for nurses and other staff, and the healing presence represented by our mission to "Let all be received as Christ."

Upon receipt of your gift, a healthcare provider is acknowledged through a letter, on the St. Alexius Medical Center website, as well as in other materials published throughout the hospital.

Yes, I would like to give to St. Alexius Medical Center's Grateful Patient and Families program.

Please include this note to the physician, nurse or department who cared for me or my loved one.

Signature

I wish to share my story with others.

Mission

Based on the Gospel values and our own heritage of healing, the mission of St. Alexius Medical Center is to use our presence as a means of touching and caring for people in a Christ-like manner and to always exhibit the hospitality as reflected in the Rule of St. Benedict: "Let all be received as Christ."

Vision

The vision of St. Alexius Medical Center is to use our presence to extend Christ's healing ministry through excellence of service, collaborative relationships and a commitment to quality for those we serve.

Values

- **Community**
A coming together of people who commit themselves to a mission, caring for and challenging each other to use their personal gifts and skills to serve.
- **Respect**
Giving and showing reverence, esteem and consideration for self and others.
- **Stewardship**
Working together to care for all resources for the good of all people.
- **Healing Presence**
An atmosphere that affirms the whole person: body, mind and spirit.
- **Personal and Professional Growth**
An ongoing commitment to expand knowledge and develop skills in order to enhance service, improve quality and reach one's fullest potential.
